
LEZIATE & ASHWICKEN

Public Rights of Way and Footpath Summary
January 2021

Ref	Location	Comment
RB12	Leziate Drove to B1145 opposite Brow of the Hill	No Issues observed (24 th Jan)
RB13	Holt House Lane to Brow of the Hill	<p>There is still an orphaned section of RB13 to the south of Holt House lane that is inaccessible due to a fence and overgrown vegetation. NCC highways have been notified many months ago and they have responded to advise they had written to the landowner. This remains blocked and so NCC highways have been notified again the PROW remains obstructed</p> <p>There has been some small scale, but persistent littering / ASB on the section of RB13 from Holt House Lane through to Brow of the Hill (coffee cups, drinks cans, bottles) – also human poo & wet-wipes [18th Jan]</p> <p>Otherwise; No Issues observed (29th Jan)</p>
RB15	Fen Lane through to Leziate Drove past Brands Wood	No Issues observed (31 st Jan)
RB25	Church Lane to Ashwicken Church	No Issues observed (31 st Jan)
FP1	Brow of the Hill to NE side of reservoirs to join FP2	<p>NCC highways has replaced the fence but not replaced the Kissing Gate</p> <p>Otherwise; No Issues observed (25th Jan)</p>
FP2	Brow of the Hill to edge of Bawsey Country Park and through to B1145 Bus Stop	<p>NCC highways has replaced the fence but not replaced the Kissing Gate</p> <p>Otherwise; No Issues observed (9th Jan)</p>
FP4	Parallel to the B1145 on the north and east sides of the RSPB Compound	No Issues observed (25 th Jan)
FP8	Parallel to Brow of the Hill, past the Leziate Park Sailing Club site	Footpath route blocked by Heras fence panels and undergrowth as it runs past the former clubhouse location. (9 th Jan)
FP10	Junction of B1145 / Brow of the Hill around the Leziate Park Compound, behind the school to join with FP29 at its junction with East Winch Rd	NCC has installed a new finger post at the southern end of FP10 where it joins FP29 and East Winch Rd (31 st Jan)
